The Iller Creek Loop is located on the south side of the Spokane Valley within the Dishman Hills. This hike is a moderate 4.1-mile loop that offers beautiful views of Spokane Valley, Big Rock, and Palouse. Be on the lookout for an occasional moose, as they are known to dwell in the area. The Dishman Hills Conservancy has been working diligently for years to connect Iller Creek to the Glenrose Unit and the Dishman Hills Natural Area. If possible, try to hike this trail in the fall, as the autumn colors make the view from the top even more spectacular.
