

Inland Northwest Land Conservancy is seeking a hard-working, 4-wheel drive truck to join our stewardship team. This is a unique opportunity to join a growing team of conservation professionals to help accelerate conservation outcomes in the Inland Northwest. Our work is engaging, meaningful, challenging, and dynamic, and we are seeking a team member with good suspension and a top-notch motor who will bring hauling capacity and durability to the organization.

Position Title: Land Stewardship Truck

The Inland Northwest Land Conservancy is looking for a donation of a new or well-maintained used truck to assist the organization in caring for lands and waters essential to life in the Inland Northwest.

Job Description:

The donated Stewardship Truck will be a valued member of the Stewardship Crew in managing our preserves and visiting some of our 70+ other conservation properties in Idaho and Washington. This vehicle will be used for a wide variety of stewardship tasks, including:

- Conservation easement monitoring
- Assisting in volunteer events
- Transportation of water for restoration area irrigation
- Delivery of native plants to our restoration areas

Qualifications and Skills:

- ¾ to 1-ton truck
- If used, newer than 2015 with under 100,000 miles and solid maintenance history
- Long bed (minimum 6.5' bed)
- Pickup, stake bed, or flatbed
- Single or dual axle
- Regular or crew cab
- Diesel or gas
- Payload of 2,500 lbs. or greater
- 4-wheel drive
- Trailer hitch
- Automatic transmission

Benefits:

- INLC will be delighted to write a letter thanking the donor for the charitable contribution (It'll be up to the donor to determine the value of the donation for tax purposes if they want to take a federal income tax deduction)

To apply please contact Steven Eddington seddington@inlandnwland.org with information on a donated truck that needs a good home.

We conserve, care for, and connect with lands and waters essential to life in the Inland Northwest.
